

Turkey – Culture Smart!

The Essential Guide to Customs & Culture

By Charlotte McPherson

CULTURE SMART!

At first glance, Turkey may seem Westernized and entirely "modern"—but appearances can be misleading. It is above all a land of contrasts, a heady mixture of Oriental etiquette and ultramodern city life, deep-rooted religious faith and determined secularism, a fierce sense of national pride and openness to foreign ideas. The Turkish people are very much their own center of gravity, and for the unwary visitor there are pitfalls to avoid as well as great riches to be found.

Culture Smart! Turkey is an invaluable guide to the intricate ins and outs of this culturally rich and complex society. This updated edition outlines the complex history of Anatolia, provides key insights into contemporary Turkish values and attitudes, describes important customs and traditions, and reveals what life is like for the Turks at home, at work, and at play. It also offers practical tips and information about what to expect and how to navigate different social situations.

In this unique mix of Islamic and European cultures, the Turks are extremely hospitable. If you show an interest in their culture and respect for their point of view, they will repay your effort many times over.

***Culture Smart!* guides are created to help travelers have a more meaningful and successful time abroad through a better understanding of the local culture. Chapters on values, attitudes, customs, and daily life will help you make the most of your visit, while tips on etiquette and communication will help you navigate unfamiliar situations and avoid faux pas.**
