

Target Tehran

How Israel Is Using Sabotage, Cyberwarfare, Assassination - and Secret Diplomacy to Stop a Nuclear Iran and Create a New Middle East

By Yonah Jeremy Bob and Ilan Evyatar

KUPERARD

PUBLISHERS

"One of the most accurate and fascinating books so far" (Michael Bar-Zohar, coauthor of *Mossad*) about how Israel used sabotage, assassination, cyberwar—and diplomacy—to thwart Iran's development of nuclear weapons and, in the process, begin to reshape the Middle East.

Yonah Bob and Ilan Evyatar describe how Israel has used cyberwarfare, targeted assassinations, and sabotage of Iranian facilities to great effect, sometimes in cooperation with the United States. Even as it takes lethal action, Israel has managed to alter the politics of the Middle East, culminating in the Abraham Accords of 2020. Arab states such as Bahrain and the United Arab Emirates normalized relations with Israel, and the holy grail of normalization with Saudi Arabia may yet be achieved. Despite the war with Hamas, these Arab states share Israel's concern with Iran, remaining silent while Israel undermines Iran's nuclear program.

Bob and Evyatar reveal how Israel has used documents stolen from Tehran in a daring, secret Mossad raid to show the United States and the International Atomic Energy Agency how Iran has repeatedly violated the 2015 JCPOA nuclear agreement and lied about its active nuclear weapons program. Drawing from interviews with top confidential Israeli and US sources, including from the Mossad and the CIA, the authors tell the "thrilling" (Lt. Gen. H.R. McMaster, author of *Battlegrounds*) inside story of the tumultuous, and often bloody, history of how Israel has managed to outmaneuver Iran—so far

Yonah Jeremy Bob is the senior military and intelligence analyst as well as the book review editor for *The Jerusalem Post*. Hailing originally from Baltimore, Maryland, Yonah has close connections with many Israeli intelligence figures and previously worked in the Israeli military international law division, at the Israeli Embassy to the UN, and in the Israeli Justice Ministry.

Ilan Evyatar is a former editor-in-chief of the award-winning magazine *The Jerusalem Report*, and a former news director, columnist, and senior contributor at *The Jerusalem Post*. He has edited and translated several books and has worked as a speechwriter and ghostwriter. Born in Israel and raised in London, England, he has interviewed a wide variety of top intelligence officials, as well as leading political, business, and cultural personalities.

End Jew Hatred

A Manual for Mobilization
By Brooke Goldstein

KUPERARD
PUBLISHERS

In this seminal book, award-winning filmmaker, civil rights attorney, and television personality, Brooke Goldstein, offers a groundbreaking and pragmatic strategy for ending Jew-hatred globally. What Saul Alinsky's *Rules for Radicals* was for progressives, *End Jew Hatred* is for the Jewish community and its allies.

Thousands of books have documented the victimization of Jews over the centuries. This is not one of those books. This book is about ending the world's oldest hatred against the world's most persecuted community.

End Jew Hatred shows how we can affect real and lasting change by championing the Jewish cause as a minority rights issue. By harnessing the power of grassroots mobilization, direct action, and legal activism, Goldstein provides a historically unprecedented handbook on how the Jewish community can move from defensive to offensive advocacy, and effect real lasting change.

Goldstein conducts a comprehensive study of social justice movements and argues that adopting their tactics, language, and organization can enact lasting meaningful change for Jews everywhere.

This is a book about securing the fundamental human right of Jewish people to live as equals, everywhere, regardless of conflicts happening in the Middle East. It is a clarion call for upending the status quo and disrupting the cycle of hatred; for drawing a new blueprint and tossing out existing structures; for unity; for diverting the nature of human hate and changing the course of history for the better.

Brooke Goldstein is the founder of the End Jew Hatred movement. She is a civil rights attorney, author, award-winning filmmaker, and the founder and Executive Director of The Lawfare Project, a nonprofit advocacy organization. In 2019, she was inducted into the MJHI Manhattan Jewish Hall of Fame. She is also the recipient of several awards for her public interest advocacy work, including the 2023 WIZO Charlotte and Sami Rohr Shomrei Israel Award.

Uncomfortable Conversations with a Jew

By Emmanuel Acho and Noa Tishby

KUPERARD

PUBLISHERS

From two *New York Times* bestselling authors, a timely, disarmingly honest, and thought-provoking investigation into antisemitism that connects the dots between the tropes and hatred of the past to our current complicated moment.

For Emmanuel Acho and Noa Tishby no question about Jews is off-limits. They go there. They cover Jews and money. Jews and power. Jews and privilege. Jews and white privilege. The Black and Jewish struggle. Emmanuel asks, Did Jews kill Jesus? To which Noa responds, "Why are Jewish people history's favorite scapegoat?" They unpack Judaism itself: Is it a religion, culture, a peoplehood, or a race? And: Are you antisemitic if you're anti-Zionist?

The questions—and answers—might make you squirm, but together, they explain the tropes, stereotypes, and catalysts of antisemitism in America today.

The topics are complicated and Acho and Tishby bring vastly different perspectives. Tishby is an outspoken Israeli American. Acho is a mild-mannered son of a Nigerian American pastor. But they share a superpower: an uncanny ability to make complicated ideas easy to understand so anyone can follow the straight line from the past to our immediate moment—and then see around corners. Acho and Tishby are united by the core belief that hatred toward one group is never isolated: if you see the smoke of bigotry in one place, expect that we will all be in the fire.

Informative and accessible, *Uncomfortable Conversations with a Jew* has a unique structure: Acho asks questions and Tishby answers them with deeply personal, historical, and political responses. This book will enable anyone to explain—and identify—what Jewish hatred looks like. It is a much-needed lexicon for this fraught moment in Jewish history. As Acho says, "Proximity breeds care and distance breeds fear."

Emmanuel Acho is the #1 *New York Times* bestselling author of *Uncomfortable Conversations with a Black Boy* and the *New York Times* bestseller *Uncomfortable Conversations with a Black Man*. He is the host/producer of the Emmy Award-winning YouTube series of the same name, and whose mission is to promote dialogue around racial insensitivity and ignorance. A former NFL linebacker, Acho is a Fox Sports Analyst and television personality.

Noa Tishby is the *New York Times* bestselling author of *Israel: A Simple Guide to the Most Misunderstood Country on Earth* and Israel's former Special Envoy for Combatting Antisemitism and Delegitimization. A native of Tel Aviv, she served in the Israeli army before moving to Los Angeles and launching a career in the entertainment industry. One of the most visible activists on social media, Tishby is the founder of several nonprofit organizations, including Act for Israel and Eighteen, which combats antisemitism and inspires Jewish pride. She lives in Los Angeles and is a proud Jewish mother to her son, Ari.

Israel

A Simple Guide to the Most Misunderstood Country on Earth

By Noa Tishby

KUPERARD

PUBLISHERS

A "fascinating and very moving" (Aaron Sorkin, award-winning screenwriter of *The West Wing* and *The Social Network*) chronological timeline spanning from Biblical times to today that explores one of the most interesting countries in the world—Israel.

Israel. The small strip of arid land is 5,700 miles away but remains a hot-button issue and a thorny topic of debate. But while everyone seems to have a strong opinion about Israel, how many people actually know the facts?

Here to fill in the information gap is Israeli American Noa Tishby. But "this is not your Bubbie's history book" (Bill Maher). Instead, offering a fresh, 360-degree view, Tishby brings her passion and humor to the subject, creating an accessible and dynamic portrait of a tiny country of outsized relevance. Through bite-sized chunks of history and personal stories, Tishby chronicles her homeland's evolution, beginning in Biblical times and moving forward to cover everything from WWI to Israel's creation to the disputes dividing the country today. Tishby provides context around headline-generating controversies and offers a clear, intimate account of the richly cultured country of Israel.

Noa Tishby was born and raised in Tel Aviv. She served two and a half years in the Israeli army before she landed a starring role on the nation's highest-rated prime time drama *Ramat Aviv Gimmel*. She became a household name, appearing in numerous TV shows, before moving to Los Angeles, where she sold the Israeli TV show *In Treatment* to HBO, making history as the first Israeli television show to become an American series. A passionate political activist, Tishby founded the nonprofit "Act for Israel," Israel's first online advocacy organization.

Bibi

My Story

By Benjamin Netanyahu

KUPERARD

PUBLISHERS

In Benjamin "Bibi" Netanyahu's "compelling" (*The Economist*) and "fascinating" (*The Wall Street Journal*) *New York Times* bestselling autobiography, the prime minister of Israel tells the story of his family, his path to leadership, and his unceasing commitment to defending his country and securing its future.

In this memoir Bibi weaves together his gripping personal story with the dramatic history of Israel and the Jewish people. Through a host of vivid anecdotes, he narrates his own evolution from soldier to statesman, while providing a unique perspective on leadership, the fraught geopolitics of the Middle East, and his successful efforts to liberate Israel's economy, which helped turn it into a global powerhouse of technological innovation.

Netanyahu gives colorful, detailed, and revealing accounts of his often turbulent relationships and negotiations with Presidents Clinton, Obama, and Trump. With eye-opening candor, he delves into the back channels of high diplomacy—including his struggle against the radical forces that threaten Israel and the world at large, and the decisive events that led to Israel's groundbreaking 2020 peace agreements with four Arab states.

Offering an unflinching account of a life, a family, and a nation, Netanyahu writes from the heart and embraces controversy head-on. Steely and funny, high-tempo and full of verve, this autobiography will stand as a defining testament to the value of political conviction and personal courage.

Benjamin Netanyahu is the Prime Minister of Israel, having been reelected in 2022 after previously serving from 1996–1999 and 2009–2021. From 1967–1972 he served as a soldier and commander in Sayeret Matkal, an elite special forces unit of the Israeli Defense Forces. A graduate of MIT, he served as Israel's Ambassador to the United Nations from 1984–1988, before being elected to the Israeli parliament as a member of the Likud party in 1988. He has published five previous books on terrorism and Israel's quest for peace and security. He lives in Jerusalem with his wife, Sara.

Letters to My Palestinian Neighbor

By Yossi Klein Halevi

KUPERARD

PUBLISHERS

Attempting to break the agonizing impasse between Israelis and Palestinians, the Israeli commentator and award-winning author of *Like Dreamers* directly addresses his Palestinian neighbors in this taut and provocative book, empathizing with Palestinian suffering and longing for reconciliation as he explores how the conflict looks through Israeli eyes.

"A clarion call, not to arms but to empathy...a profound and original book, the work of a gifted thinker...[an] urgent and heartfelt message."—Wall Street Journal

Lyrical and evocative, *Letters to My Palestinian Neighbor* is one Israeli's powerful attempt to reach beyond the wall that separates Israelis and Palestinians. In a series of letters, Yossi Klein Halevi explains what motivated him to leave his native New York in his twenties and move to Israel to participate in the drama of the renewal of a Jewish homeland and help ensure that it succeeds as a morally responsible, democratic state in the Middle East.

In this taut and provocative book, Halevi endeavors to untangle the ideological and emotional knot that has defined the conflict for nearly a century. Using history and personal experience as his guides, he unravels the complex strands of faith, pride, anger, and anguish he feels as a Jew living in Israel.

Halevi's letters speak not only to his anonymous Palestinian neighbor but to all concerned global citizens, helping us understand the painful choices confronting Israelis and Palestinians that will ultimately help determine the fate of the region.

Yossi Klein Halevi is an American-born writer who has lived in Jerusalem since 1982. He is a senior fellow of the Shalom Hartman Institute in Jerusalem and the author of *At the Entrance to the Garden of Eden: A Jew's Search for God with Christians and Muslims in the Holy Land* and *Like Dreamers: The Story of the Israeli Paratroopers Who Reunited Jerusalem and Divided a Nation*, which won the Jewish Book Council's Everett Family Book of the Year Award for Best Jewish Book in 2013. Together with Imam Abdullah Antelpe of Duke University, he co-directs the Hartman Institute's Muslim Leadership Initiative. He and his wife, Sarah, have three children.

Israel

The Essential Guide to Customs & Culture

By Jeffery Geri and Marian Lebor

KUPERARD

PUBLISHERS

This edition marks the nation's 70th year of independence in a concise cultural guide of this diverse, dynamic, and paradoxical country.

Culture Smart! Israel is a concise cultural guide that enables readers to get to the heart of this diverse, dynamic and paradoxical country and enable you to make the most of your visit. Independent since 1948, this 70th anniversary edition provides important insights into the complexities of Israeli society so that you will know what to expect and how to behave in different circumstances, avoid misunderstandings and form good relations both socially and in business.

While Israel is a modern and largely secular country, it is one steeped in biblical history and in which religion still plays an active role in public life. In seventy years it has grown from a sparsely populated strip of land into a vigorous democracy and regional superpower. Often called the Startup Nation, Israel is a world leader in a number of Hi-tech industries. Its democratic institutions, despite a political and social polarization in recent years, are among the most enlightened in the world.

The fight for survival has had a profound impact on the Israeli psyche. Every family has been touched by war, which has sharpened the zest for life. Nearly every citizen serves in the army, today a formidable fighting machine. Seismic changes in the wider region oblige it to maintain a critical edge. This pocket guide will help readers understand the country and its people beyond the headlines, ensuring for greater understanding and a far more valuable travelling experience, whatever the reason for visiting.

Jeffrey Geri was a South African-born barrister who made Israel his home in the 1960s. Involved in all aspects of Israeli life, he worked extensively in tourism and advertising. He wrote several novels, two of which, *Oh Henry* and *The Trouble With Francis*, were based on the theme of immigration to Israel. Sadly, Jeffrey died in 2013.

Marian Lebor is a journalist, filmmaker, and teacher born and educated in London. After graduating in History from Queen Mary College, London University, she moved to Israel with her young family in 1994. She writes for a variety of English-language publications in Israel and abroad on Israel-related themes, and her work has appeared in *The Guardian* and in Anglo-Jewish newspapers. She currently produces short feature films that highlight Israel's diversity and culture for online magazines.

Israel

A Concise History of a Nation Reborn

By Daniel Gordis

KUPERARD

PUBLISHERS

The first comprehensive yet accessible history of the state of Israel from its inception to present day, from "one of the most respected Israel analysts" (The Forward) living and writing in Jerusalem

Israel is a tiny state, and yet since its creation, it has captured the world's attention, earned its admiration, and often, been the object of its opprobrium. Why is so much of the international community focused on a small country like Israel? Why are Israelis so deeply divided on so many key issues? Why does Israel make the decisions it does? And what lies in its future?

We cannot answer these questions until we understand Israel's people. Weaving together historical documents, letters, and interviews, as well as Gordis's own intimate knowledge of the country and its people, *Israel* tells the story of the idea of Israel-when idea of a Jewish state originated, how the dream was transformed into reality and how Israel's history has unfolded-and why.

As he guides us through the milestones of Israeli history, Gordis also recounts many of the stories that are central to how Israelis understand themselves and their country. He introduces the formidable personalities that pioneered the country. Gordis illustrates how Israel became a cultural, economic and military powerhouse-but he also explains where Israel made grave mistakes.

With *Israel*, Gordis offers us a brief but thorough history of this complex nation, from its beginnings to the present. Accessible, level-headed, and rigorous, *Israel* sheds light on Israel's past so we can understand its present and future. The result is a vivid portrait of a people, and a nation, reborn.

Daniel Gordis is the Koret Distinguished Fellow at Shalem College—Israel's first liberal arts college—which he helped found in 2007. The author of numerous books on Jewish thought and political currents in Israel, he has twice won the National Jewish Book Award, including the prize for Book of the Year for *Israel: A Concise History of a Nation Reborn*. Raised and educated in the United States, he has been living in Jerusalem since 1998.

Like Dreamers

The Story of the Israeli Paratroopers Who Reunited Jerusalem and Divided a Nation

By Yossi Klein Halevi

KUPERARD

PUBLISHERS

In *Like Dreamers*, acclaimed journalist Yossi Klein Halevi interweaves the stories of a group of 1967 paratroopers who reunited Jerusalem, tracing the history of Israel and the divergent ideologies shaping it from the Six-Day War to the present.

Following the lives of seven young members from the 55th Paratroopers Reserve Brigade, the unit responsible for restoring Jewish sovereignty to Jerusalem, Halevi reveals how this band of brothers played pivotal roles in shaping Israel's destiny long after their historic victory. While they worked together to reunite their country in 1967, these men harbored drastically different visions for Israel's future.

One emerges at the forefront of the religious settlement movement, while another is instrumental in the 2005 unilateral withdrawal from Gaza. One becomes a driving force in the growth of Israel's capitalist economy, while another ardently defends the socialist kibbutzim. One is a leading peace activist, while another helps create an anti-Zionist terror underground in Damascus.

Featuring an eight pages of black-and-white photos and maps, *Like Dreamers* is a nuanced, in-depth look at these diverse men and the conflicting beliefs that have helped to define modern Israel and the Middle East.

Yossi Klein Halevi is an American-born writer who has lived in Jerusalem since 1982. He is a senior fellow of the Shalom Hartman Institute in Jerusalem and the author of *At the Entrance to the Garden of Eden: A Jew's Search for God with Christians and Muslims in the Holy Land* and *Like Dreamers: The Story of the Israeli Paratroopers Who Reunited Jerusalem and Divided a Nation*, which won the Jewish Book Council's Everett Family Book of the Year Award for Best Jewish Book in 2013. Together with Imam Abdullah Antelpe of Duke University, he co-directs the Hartman Institute's Muslim Leadership Initiative. He and his wife, Sarah, have three children.
