Pastor, professor, and popular YouTuber Tim Wildsmith offers accessible histories about the most popular English Bible translations available, equipping Christians to make informed decisions about which translations to read and purchase.

Have you ever wondered why there are so many translations of the Bible? It can be overwhelming and challenging to make sense of the differences, similarities, strengths, and weakness of each. With over 400 English translations to choose from, how do you know one is right for you? This book is here to help.

*Bible Translations for Everyone* contains:

- An introduction to how Bible translations work.
- The fascinating history of early English Bibles like Tyndale and Wycliffe.
- The textual basis, translation philosophy, strengths, and weaknesses of each popular English translation, including The New King James Version, The New International Version, The English Standard Version, and more.
- Translation comparisons.
- Timelines and charts.

After reading this book, you will understand the essentials of each translation and be able to make an informed decision about which ones are right for you.

Tim Wildsmith is a pastor and writer who is passionate about helping people find a Bible that's right for them. He created a multi-platform online community where his Bible-related content has been viewed tens of millions of times. He has more than two decades of ministry experience and currently serves as one of the campus ministers at Belmont University, the largest ecumenical Christian college in the United States, where he teaches a course called "Understanding the Bible" for undergraduate students.
